Business Statistics, Data Analytics, Communications/Professionalism, Belcher Eagle Scout Scholarship recipient

Washington, DC

August 2021 - May 2025

EXPERIENCE

Yogurt-land

Store Associate

Long Beach, CA

May 2022 - Present

- Executed inventory/store operations, often solo during peak business hours, and serviced all facilities (machines, register, cooling/heating) in store
- Upheld state and corporate health/safety standards for food workplaces, ensuring optimal customer experience
- Managed transactions, cashed checks, took inventory, and engaged in customer service for thousands of customers

American University Housing & Residence Life

Front Desk Receptionist

Washington, DC

July 2022 - Present

- Conducted administrative duties for front operations of a dorm building, serving hundreds of residents
- Coordinated with American University faculty/staff, students, and parents in customer service engagement
- Utilized campus portals, systems to monitor facility operations throughout building, and ensure security for residents

Cartridge Evolution

Junior Advisory Board Member

Cerritos, CA

June 2020 - August 2020

- Managed partnerships with local businesses to help implement an ink cartridge recycling program in community through a three-staged plan for business outreach
- Developed communication lines with several local businesses, schools, and Boy/Girl Scout troops to develop the program

LEADERSHIP EXPERIENCE

Scouts BSA

Eagle Scout

Cerritos, CA

June 2018 - Present

- Seven percent of all Scouts in country attain rank
- Operated a bone marrow registry drive in the Cerritos Mall for service project (December 2017), registering several donors and increasing awareness
- Established a precedent for dozens of other Troop members and supervised day-to-day operations with Scout and adult staff

Model United Nations

Delegate, Head Chair

Cerritos, CA

August 2017 - June 2021

- Collaborated with other delegates to research solutions to international conflicts/situations in a United Nations committee-style format
- Established and delegated own committee (3rd SOCHUM) in the Cerritos High School "The International" conference in May 2021

- Achieved third place in committee in the IAEA committee of the Nationals MUN Conference in New York (March 2020)
